## **TEXAS ARBOR DAY FUN AND CRAFTS**

**(BUDA, TX) - Oct. 16, 2019** - Join the fun as the City of Buda and the Buda Public Library celebrate Texas Arbor Day by offering the community two engaging events. Come to Green Meadows Park on Friday, Nov. 1, 2019 at 10 a.m. for a tree planting ceremony, then pop by the Buda Public Library from 3-5 p.m. for exciting activities such as tree and nature art, face painting, and more.

For the tree planting ceremony, Tom Green Elementary students will assist the City's Parks and Recreation Department at Green Meadows Park, located at 2357 Green Meadows Lane. Feel free to stop by and help plant some trees.

Partnering with Buda Public Library, TreeFolks, an organization focused on community building through reforestation, will be on hand at the library to provide information on planting trees and will give each family a free sapling while supplies last.

The Hays County Master Gardeners will also be in attendance at the Buda Public Library to answer any questions regarding Texas trees. The Master Gardeners is a volunteer program organized to promote horticulture through garden projects and education.
