

The City of Buda Rain Barrel Distribution Event

The City of Buda is proud to announce the city's first Rain Barrel Distribution event. This program is hosted in conjunction with The City Rain Barrel Program and provides residents any easy way to purchase rain barrels up to 54 gallons or rainwater storage tanks up to 100 gallons. Barrels or tanks may be purchased at:

<http://cityrainbarrelprogram.org/participating-cities/city-of-buda-tx.html>

PLEASE NOTE: THESE ITEMS ARE NOT FREE.

Pre-purchased barrels/tanks will be distributed at the date and time below. **Residents must provide their own means of transporting the rain barrels or storage tanks home safely.**

Buda Sportsplex
Saturday, July 23
9:00 A.M. – 12:00 P.M.

Why Rain Barrels?

With increasingly dry weather patterns, water conservation is a priority on the minds of many Central Texans. Collecting rainwater during wet times and storing it for use during dry periods is a water conservation technique that has been practiced for centuries. Rain barrels are an easy and inexpensive way for homeowners to begin their own small scale rainwater harvesting system.

REBATES AVAILABLE

AVAILABLE FOR CITY OF BUDA WATER CUSTOMERS ONLY.

Buda water customers can receive a rebate of fifty cents per gallon of storage on the purchase of barrels or storage tanks (\$25 for a 50 gallon barrel, \$50 for a 100 gallon tank).

Rebates are limited to 2 rain barrels or one 100 gallon rainwater storage container per water account.

Before purchasing, please call

512-295-8845

to verify that you are eligible.

Barrels/tanks must be installed at the address of the customer requesting the rebate.
