

City of Buda Rain Barrel Rebate Form

PLEASE READ THE FOLLOWING REBATE ELGIBILITY REQUIREMENTS CAREFULLY.

Rebate Eligibility Requirements

1. I understand that I must be a City of Buda water and wastewater customer to be eligible for the rebate. Customers with wastewater service only may purchase rain barrels through this program, but **will not** be eligible for a rebate from the City of Buda.
2. I understand that the rebate will be issued in the form of a credit to the water portion of my city utility bill, and that it may take up to two billing cycles after rebate submission to appear on my utility bill.
3. I understand that I must not have any outstanding utility payments in order to be eligible for a rebate.
4. I have verified that my rain barrel/storage tank installation is in compliance with my HOA covenants or other neighborhood deed restrictions.
5. I understand that I assume all risk and liability for transporting, installing, and maintaining the rain barrels/storage tanks.
6. I understand that the rain barrels/storage tanks cannot be cross-connected to the City's water distribution system.
7. I understand that it is my responsibility to properly maintain the rain barrels in a manner that will not allow mosquito breeding in the stored water.
8. I understand that water collected in the rain barrels/storage tanks is not suitable for potable (drinking) water uses and should be used for irrigation only.
9. I understand the rain barrel/storage tank must be installed at my residence prior to applying for a rebate. If requested, I agree to allow access to my residence for City staff to verify the rain barrels/storage tanks were installed at the address of the account holder requesting the rebate.
10. I understand that if City Staff determines that the rain barrel/storage tank purchased under this program are not installed at the address of the account holder requesting the rebate, I will not be eligible for a rebate. If a rebate has already been issued, then I will be charged for the full amount of the rebate on my utility bill.
