

City of Buda Launches New and Improved *Buda Connect* Mobile App Solution

The City of Buda is pleased to announce the release of our new and improved *Buda Connect* mobile app solution.

This new digital tool will provide you with a better connection to the local resources, news, and information you want and need when on-the-go and out in our community.

Use the *Buda Connect* mobile app to sign up for emergency alerts, submit service requests, pay your bill, and more!

Note: If you have previously downloaded an older version of our mobile app on your Apple or Android device, you will need to delete the app and download this new version.

To download the app on the Apple® device:

- [Click here](#) or search the name “CivicMobile” in the iTunes® App Store. Make sure to choose “CivicMobile” and not the “CivicMobile Preview” or “CivicMobile Demo.”
- Once the CivicMobile app is downloaded, you may search Buda or use the ‘Find My Location’ feature to find our *Buda Connect* app.
- Once you’ve selected Buda during this first use, it will open the *Buda Connect* mobile app each time the app is used.

If you have an Android device, visit the Google Play™ store and search for *Buda Connect*.

Download the app today and connect with the City of Buda!
