BUDA, TX — The City of Buda is currently accepting applications for our Task Force on Aging. The Task Force on Aging was formed last year, following a discussion on the needs of senior citizens in Buda. The mission behind the Task Force on Aging is to enhance the quality of life for Buda's senior residents through planning, coordinating, and monitoring the availability of services and information. The nine member task force meets twice a month. We are currently looking to fill two member spots.

If you are interested in serving on the Task Force on Aging, please fill out the application form below:
