

How do I respond to comments or upload revised drawing to my permit in www.MyPermitNow.org?

- Open your browser and type in www.mypermitnow.org
 - Select '**Customer Portal**'
 - **Login**
 - Select '**My Account**' at the top right hand corner
 - Scroll down to '**My Permits**'
 - Select '**View Permit**' to the left of your permit
 - Scroll about midway down to '**Customer Documents**'
 - To the far right select '**Submit**'
 - Here you will be able upload all corrected/ revised drawing or responses to comments
- * Please allow at least 24 hours for your uploads to be processed out of the portal and to the reviewers.
